

CERTIFICATE OF CONFORMANCE
AN AS9100D / ISO 9100-2015 COMPANY

TMI certifies that all products have been manufactured in accordance with applicable TMI Quality Assurance Procedures, Purchase Order requirements, Specifications, and/or Customer supplied drawings.

All products are manufactured in our AS 9100 D / ISO-9001: 2015 facility. For more information please visit our website or e-mail rgordon@techplusmicrowave.com

TMI is fully compliant with the European Directive 2002/95/EC and the Commission Decision of 24 September 2010 (2010/571/EU).

All commercial products are RoHS compliant, manufactured using lead-free solder, unless the P.O. specifically prohibits the use of lead-free solder. For more information please visit our website: www.techplusmicrowave.com , under the "QUALITY" tab.

This product packaging is compliant with ISPM-15. For more information please visit our website: www.techplusmicrowave.com , under the "QUALITY" tab.

WARRANTY: TMI warrants our products to be free from defects in workmanship and materials for a period of 36 months from the date of manufacture. Defective products will be re-built or re-worked to original specifications. Failure Analysis/Corrective Action is of prime concern to TMI, and a copy of the report will be sent with all re-built or re-worked units, or sent to the buyer in the event the units are not to be replaced.

Product damage resulting from customer/carrier handling or misuse will void this warranty.
